

CALL FOR PAPERS

Abo ABERS

The Africa Business and Entrepreneurship Research Society (ABERS) is pleased to announce the 13th Africa Business and Entrepreneurship Research Society Conference (ABERS 2024) will be held in Paris, France, from May 23 to 25, 2024. The conference will focus on the theme "Africa's Economic Transformation: Challenges and Opportunities". The conference is a premier event for scholars, researchers, and practitioners in the field of African business and entrepreneurship. It provides a platform for the exchange of ideas, the presentation of research findings, and the development of collaborative relationships. The conference is open to all researchers and practitioners in the field of African business and entrepreneurship. The conference is a must-attend event for anyone interested in the latest developments in African business and entrepreneurship. The conference is a unique opportunity to engage with leading experts in the field and to share your own research and insights. The conference is a chance to learn from the experiences of others and to gain valuable insights into the challenges and opportunities of African business and entrepreneurship. The conference is a chance to build a network of like-minded professionals and to explore potential collaborative opportunities. The conference is a chance to contribute to the advancement of knowledge and practice in the field of African business and entrepreneurship. The conference is a chance to make a difference in the lives of people in Africa and to help build a brighter future for the continent.
